## Welcome Message

ASI Jharkhand Chapter in Association with Surgical Vidyapeeth is arranging a virtual conference on 18<sup>th</sup> July 2021 from 10:00am to 1:30pm on ERCP and Colonoscopy. The objective is to motivate the surgeons of this region to take up Endoscopy in their armamentarium.

Our vision is to at least have one Endoscopist surgeon in each district of Jharkhand & bordering states. It would not only empower our surgeons but benefit the patients also. We have invited galaxy of speakers who are excellent Endoscopist. We are sure this conference would be huge success.
